Thoughtful
homes:
*Where design
meets wellbeing*

The unit plans have been designed keeping people's interaction with spaces in mind, a testament of Intentional Design.

With a main door of maximum 8-feet height, a grand welcome awaits residents to their flats. The biggest living room and highest floor-to-ceiling height of 10'5" (6 inches more than usual in the segment) creates even more space to revel in pride.

LOCATION MAP

Your world, within reach

Situated in Hyderabad's Financial District, ASBL Loft is at the centre of all the action and provides residents with the ultimate downtown living experience.

ASBL

The Developer

The spaces we inhabit have a profound influence on our wellbeing, productivity and overall quality of life.

ASBL (Ashoka Builders India Pvt Ltd) was founded in 2017 with this belief. Through extensive research and consumer lifestyle understanding, we aim to design homes that enhance the living experience of Hyderabad's modern homebuyer. Robust tech-centric construction enables us to keep our quality and timeline deliverable sacrosanct.

Over a short span of time, ASBL has started creating a niche for itself through its projects:

ASBL Lakeside, Khajaguda

ASBL Spire, Kokapet

ASBL Springs, Pocharam, Uppal

ASBL Spectra, Financial District, Gachibowli

“Our vision for Loft is to create a truly exceptional living experience, starting from the moment you arrive. Our grand entrance sets the tone for what awaits within—a place where community thrives, work seamlessly integrates with life, and convenience is literally brought to one’s doorstep. With post-pandemic amenities like co-working spaces and carefully curated childcare facilities, Loft redefines the meaning of modern residential living.”
